PACKET PICK-UP

Mandatory packet pick-up is located at South Mountain Park - 10919 South Central Avenue, Phoenix 85042.

Packet pick-up opens at 5:30 AM on Saturday April 4th and closes at 8:30 AM. Please pick up your race packet 30 minutes before your TT start time. Packet pick-up is on the day of the race only.

Packet pick-up is at the "Ramadas." Enter South Mountain Park and turn immediately left after the Guard Shack. Drive approximately ½ mile until you see the bathrooms and Ramadas. Park there to register and get your bike ready.

Please bring your USA Cycling license to collect your packet (unless you purchased a one-day license when you registered online). Every 1-day license holder must sign the 1-day license agreement at Registration.

Please place your race number on the Rear of your Jersey, above your pocket and on the right side of your back so that the number is visible from the side (this is critical for race scoring at the finish line.)

Please allow 20 minutes to get from the Parking Lot to the race start (it's almost 2 miles.)

First racer leaves at 7:00am. Racers depart in 30-second intervals after that.

You must be at the start line 5 minutes before your start time! If you are late we will start you as soon as is safe after you arrive and your time will be counted from your posted start time.

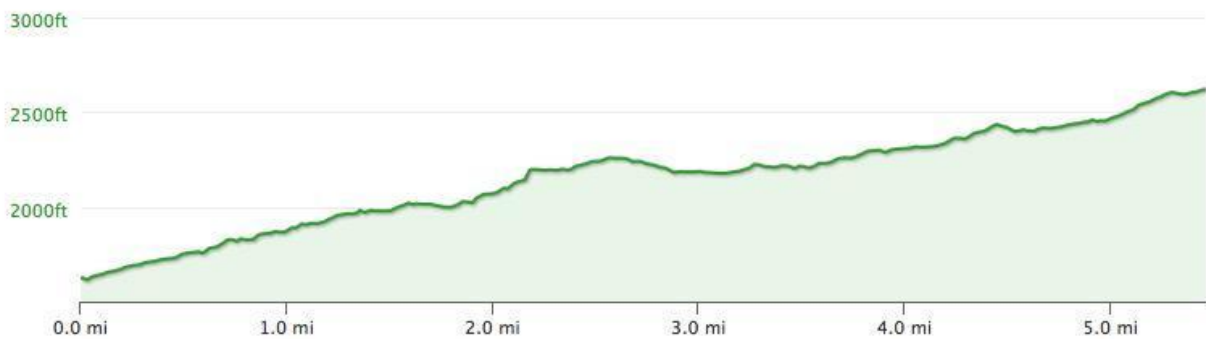

There will be a port-a-potty at the start line for your convenience.

RACE COURSE

The race is 5.5 miles up South Mountain. The race starts from the “Y” at the intersection of San Juan Rd and the Summit Rd. and finishes at the Towers. Here’s the map on Strava:

<http://www.strava.com/segments/1565617>

Team Vitesse course marshals will guide you in the right direction, just remember to turn right at any intersection in the road on your way up! The finish line is at the parking lot at the very top of the Mountain.

At the top we’ll have our Clif Bar Refuel Zone with bottled water, Clif Bars and Blocks. Our famous “Puke Zone” will be set up at the top. We sure hope you don’t have to use it, and if you do, we’ll give you all the space you need!

We will do our very best to get you results quickly – but please understand that it takes a little while to tabulate results, and get them to the bottom of the Mountain for you. We hope to have our awards party within 1 hour after the last finisher.

Please also understand that we have to go by your time on the finish clock and not your computer (or Strava). We will have photo finish photography for any “close calls” and our volunteer team will do their absolute best to score you accurately. Please talk to our Results Official (Rob Nickerson) with any questions about your result.

Please, please, descend very slowly! Please stay way to the right as you head downhill and be very careful of racers heading upwards (in complete oxygen depletion) as well as spectators and race volunteers.
